Secretary.
Office, Room 4 Mackintosh Building, Salt Lake City, Utah.

Notice is hereby given by the city council of Salt Lake City of the intention of such council to make the following de-scribed improvement, to wit:

H. G. McMillan, Chairman, Date of first publication, July 16th, 1810 Utah. Walt W. Ottley, Secretary. Date of first publication, July 16th, 1810 Utah. Date of first publication, July 16th, 1810 Utah. 50c ON THE \$\$\$\$

The above picture will give you an idea. The house has 9 commodious rooms, 6 rooms down stairs, large dining room, well lighted, a beautiful parior, mantel in both dining-room and parlor; a large kitchen, 2 large bedrooms and library, reception hall, full basement under entire house, a large porch all around south and east side covered with vines; 3 bedrooms and bath room upstairs, well ventilated and well lighted; several clothes closets. The lot is \$2½, feet fronting south, 165 feet fronting east, a double row of fine shade trees on both sides of the lot, one row of hard maple trees—the nicest row of maple trees in the city—one box elder in front yard, one horse chestnut and several nice rose bushes; a beautiful lawn. The north end of the lot is covered with fruit—apple, peach, plum, apricot and cherry trees; small fruits, raspberries, gooseberries, etc. The above house is one of the best bargains we have ever offered during our experience in business. The lot is easily worth \$3500, and the house could not be built for less than \$5000, if for that. We are offering the house and lot for quick sale at \$5250. The owner has moved to Portland, and must sell at once in order to raise some quick money. Don't be last, be first. It won't last long. Location, East Bench.
